ABOUT ME

Creative Video Editor with 5 years of experience, starting at 18, shaping visual stories for brands across India and beyond. From fashion reels and resort films to event aftermovies and TV commercials, I bring ideas to life through compelling narratives. Skilled at blending traditional editing expertise with cutting-edge AI tools, I create content that captures attention, drives engagement, and elevates brand experiences with impact.

EDUCATION

Manipal University | 2020-2023

BA Media and Communication

This is where I built a strong foundation in media theories, communication strategies, and practical skills that shaped my journey as a video editor.

Nirmala Matha School | 2018-2020

High School

In my 11th and 12th grades, I faced challenges that fueled personal growth and sparked my passion for media, setting me on my career path.

WORK EXPERIENCE

Beep Experience | 2023 - present

Media Executive

At Beep Experience Management, I craft curtain raisers, aftermovies, countdowns, and award edits—capturing the scale and emotion of live events. By fusing creativity with AI driven tools, I transform moments into cinematic stories that elevate every experience.

2019 - 2023

Freelancer

During college, I turned freelancing into a creative journey - crafting reels, wedding films, and brand content that popped. Every project was a chance to innovate, explore, and leave a mark with bold edits.

SIGNATURE PROJECTS

Beep NXT - Showreel 2025

The 'Beep NXT Showreel 2025' was a grand showcase of our journey and achievements—crafted to captivate clients with creativity and innovation. It earned phenomenal response, sparked new opportunities, and pushed my skills to new heights.

Kongunadu Rifle Club - Showreel 2024

The Kongunadu Rifle Club event was an immersive project - capturing the precision of shooters with a cinematic lens. Editing pushed me to craft something fresh and unique, resulting in a crisp, impactful film that earned great client feedback and expanded my creative horizons.
